# TOUGH CUT MOWER

The Tough Cut Mower is exactly what is needed for high grass and weeds. It is perfect for maintaining nature areas without the use of chemical sprays or to provide a natural wildlife setting. For brush that can't be maintained with a finish mower, the tough cut will eat through the toughest weeds with no problem. It will **tackle up to 1/2" diameter** brush.

**Heavy Brush:** Tackle brush up to 1/2" in diameter.

Want to **eliminate chemical use** on your property? Use the tough cut mower to keep order to those heavy brush and grassy areas. Wooded paths or native grass areas can be easily kept under control with the tough cut mower. No more struggling to push your way through tough brush... let a Ventrac Tough Cut Mower lighten your work load.

**Flip Up Design:** The deck flips up for service and maintenance.
